

RED SEAL HEAVY DUTY MECHANIC(S)

Fraser River Pile & Dredge (GP) Inc. (FRPD) is Canada's largest Marine & Infrastructure, Land Foundations and Dredging contractor. The company is privately owned with operations mainly in Western Canada and the Northwest Territories.

FRPD is a growing, award winning company with opportunities for advancement. We focus on the development of skilled employees looking to take advantage of the diverse scope of our many exciting projects. The heart of the company is its many dedicated employees, many of whom have stayed for decades and we welcome new members to our very knowledgeable team.

FRPD is presently looking for applicants with RED Seal Heavy Duty Mechanic certification. Applicants should have an intermediate level of heavy equipment maintenance experience.

Preference will be given to those who have experience working on conventional cranes and Cat dozers.

Union wages are \$43.92 per hour plus an additional 12% for holidays and statutory holidays, a comprehensive benefit and pension plan. Hours per year average between 2,000 to 2,500, depending on overtime requirements.

We are proud to offer the following:

- Top union compensation
- Full time position
- Comprehensive union benefits package
- Tools allowance
- Training and experience with a wide variety of large construction equipment
- Team environment that focuses on the individual

This is a union position, and hiring will be done in cooperation with the Operating Engineers 115 Hiring Hall. These positions are located in New Westminister, BC and available to qualified individuals in the Greater Vancouver area or willing to relocate here. Please forward all resumes to careers@frpd.com stating the job title in the email subject line.

We thank all applicants for their interest; however only those selected for an interview will be contacted.
